**The International Mirror Class Association South Africa and Theewater Sports Club wishes to welcome all sailors and visitors to the:**

***MIRROR AFRICAN CHAMPIONSHIPS 28 DECEMBER to 2 JANUARY 2015***  
***MIRROR WORLD CHAMPIONSHIPS 3 JANUARY to 9 JANUARY 2015***

## **WELCOME FROM PRESIDENT: INTERNATIONAL MIRROR CLASS**

It is my privilege to welcome you all to the 16th Mirror World Championships.

South Africa is hosting the event for the third time – in Saldanha Bay on the west coast in 1999 and in Port Elizabeth in 2007. In 2015 South Africa is not only hosting the World Championships but also defending the title!

For the first time we will see glass Mirrors from UK, Australia, China and South Africa at this event, as well as the first CNC cut wooden boats. Having boats built around the World is important for the future development of the class – the next step may well be the supply of boats to all competitors at a Worlds, this is one way to grow the fleet.

I look forward to meeting you all and competing against all of you – may friendships be made, may the competition be fierce on the water and may the best team win.

**Kuba Miszewski**  
**President International Mirror Class**

## **WELCOME FROM PRESIDENT: SOUTH AFRICAN SAILING**

South Africa welcomes all contestants to the Mirror World Championships and African Championships to be held at the Theewater Sport Club from the 28<sup>th</sup> December 2014 to the 9<sup>th</sup> of January 2015.

South African Sailing is very proud that the country is hosting its third Mirror World Championships following the events in Saldanha Bay in 1999 and Port Elizabeth in 2007. It is equally exciting that the country will have been responsible for another two world

championships in the past 12 month period with the Mirrors being joined by the J22 and Dart classes in May and December respectively and then the 505 Worlds will be hosted in Port Elizabeth in March 2015.

It is a fabulous fleet that will contest the 2015 world title. For the first time ever the defending champions are South African. Ryan and Michaela Robinson will be hard pressed by a fleet approaching seventy boats representing six countries at the time of writing. Demonstrating that sailing is a sport for life the youngest skipper is 11 years old and the eldest is 73. All of the fleet, especially the young sailors, are encouraged to have Big Dreams. After all the 1997 Mirror World Champion, Ian Walker, is skippering Abu Dhabi in the current Volvo Ocean Race.

Special thanks go to all who have been involved in preparing the hosting of the event over a long period of time and to all the selfless volunteers who will turn all the planning into reality over the period of the regattas.

South African Sailing wishes all competitors, race officials, rescue personnel and on shore movers and shakers fair winds, happy camaraderie and great competition.

With very best wishes,

**Philip Baum**  
**President – South African Sailing**

## **WELCOME FROM CHAIRMAN: INTERNATIONAL MIRROR CLASS OF SOUTH AFRICA**

We are very excited to welcome all our international and local visitors to the beautiful Cape.

2014 has been an exciting year for the South African Mirror Class as we have seen tremendous interest and growth together with the excitement of hosting the first ever African Continental Championships followed by the 16<sup>th</sup> Worlds Championships. In addition, we have seen Roy McBride from CKD Boats being accredited as the first CNC cut kits supplier in the world and Peter Randle from Chevron Yachts being accredited as a GRP Mirror builder. New wooden kit boats and GRP boats made in South Africa will be at the upcoming Africa's and Worlds.

We would like to thank TSC, the host club, together with the volunteers for the time and effort in preparing for the regatta's and all competitors and their supporters for making the effort to be here. We trust the events will be a tremendous success and wish all competitors fair winds, excellent sailing and a truly memorable experience.

Yours in Mirror sailing

**Grant Ekermans**  
**Chairman – International Mirror Class of South Africa**

## **WELCOME FROM THE EXECUTIVE MAYOR, THEEWATERSKLOOF MUNICIPALITY**

Theewaterskloof dam is the most prominent landmark in an area that is regarded as the gateway to the Overberg.

Since it was built many years ago the dam nestled onto a splendid natural environment and brought its own unique ecosystems whilst it also became the habitat of a diverse network of fauna and flora.

The dam provides a key function as the biggest "reservoir" in the Western Cape Water Supply System. It provides in the water needs of huge human and animal populations and the entire business sector of the Overberg and Peninsula.

Over the years the dam became a highly sought after tourism attraction and a mecca of water sports in the area. It is the home of the Theewaterkloof Sports Club, one of the most renown yacht clubs in the world.

In the past the club won some of the most prestigious yachting events in South Africa whilst it also became an international competitor of note.

It is therefore fitting that the club had been chosen to host the Mirror World Championships and African Championships from 28th December 2014 to the 9th of January 2015.

As always the Championship will be hotly contested by an impressive fleet and the best international sailors.

I welcome all teams from the six participating countries and wish them all of the best.

I will keep my fingers crossed for our own Club which will be highly motivated on home waters.

I thank every person who made it possible for Theewaterskloof to host the prestigious event and acknowledge their hard and unselfish work.

I trust that all competitors, team supporters and the fans will thoroughly enjoy the Championships on and off the boats.

**Alderman Chris Punt**  
**Executive Mayor: Theewaterskloof Municipality**

## **WELCOME FROM THE COMMODORE, THEEWATERS SPORTS CLUB**

I welcome you all to TSC – The Place to Be.

We thank all those who have travelled from distant shores for coming to take part in this great event.

TSC has had many major events, however this is our first World Championships that we are hosting. We look forward to giving you a great event.

TSC is a family club, we encourage you all to come to the social functions to meet with our members, to enjoy the evenings.

On the water may the competition be fierce, back on shore may many friendships be made – sailing friendships last forever.

If there is anything that we can do to assist your stay here please do not hesitate to contact any of the club staff or board members.
